

JOIN OUR WINNING TEAM

Just as donors joined together to make the “Melo Center” possible, thousands of alumni and friends have a tangible and immediate impact on SU every day by giving to The Fund for Syracuse. No matter how large or small, your gift combined with others can make a difference. Support whatever part of SU means the most to you:

- > **Your school or college** for program development, equipment, or guest lecturers
- > **Your favorite athletic teams,** intramural sports, or student-athletes
- > **A special professor,** graduate assistant, or undergraduate student researcher
- > **Students of talent and promise** with scholarships or other financial support
- > **Special programs** in music, art, or dance that enrich the SU experience

To join our winning team, give now to The Fund for Syracuse at givetosu.syr.edu, or contact us at **315.443.1848**.
