

# SU WAS PART OF YOUR SUCCESS. NOW BE PART OF **THEIRS.**

The lessons you learned at Syracuse University are a part of who you are today. The people you met, the experiences you had—all have helped shape your life and your success.

Now you can pay that forward. Make a gift to The Campaign for Syracuse University, and you can support vital scholarships, stellar faculty, innovative academic programs, state-of-the-art facilities, and everything else it takes to prepare students to make it in today's world.

With just a few months left to go, the impact of the campaign has been tremendous. But many initiatives are still in need of funding. Give today at [givetosyr.com/susuccess](http://givetosyr.com/susuccess) or **877.2GROWSU (247.6978)**. And be part of our students' success for generations to come.
