

**For over three years,
Ellie has been a student caller.**

In that time, she's learned about the value of hard work and about the responsibilities that come with being part of a team. Her experiences at The Fund for Syracuse—together with the hundreds of others she's had at Syracuse University—have pushed her out of her comfort zone and helped her grow into a leader.

Today, Ellie is not only a telefund student manager, but house chairman for her sorority, Kappa Kappa Gamma, and a senior coordinator at SU's Winnick Hillel Center for Jewish Life. Every day, both in class and out, she's gaining valuable skills that will help her pursue her dream of teaching and directing live theater.

Your gifts to The Fund for Syracuse open doors to tremendous opportunities for students just like Ellie.

GENEROSITY MEETS INSTANT IMPACT

Rarely does your generosity have as much potential to make a difference in the lives of others as with an annual gift to The Fund for Syracuse.

Why? Because gifts to The Fund for Syracuse:

- **Are flexible and immediately available**, giving the Chancellor, deans, and other division heads the ability to direct dollars wherever they're most urgently needed.
- **Bridge the gap** between tuition revenues and the actual cost of a Syracuse University education.
- **Open doors**, enabling Syracuse University to provide students with vital financial assistance. In 2015-16 alone, SU awarded more than \$380 million in scholarships and grants.

Give where your heart is

Whatever part of SU means the most to you, you can support it with your gift to The Fund for Syracuse.
